UNIVERSAL PROCLAMATION OF GLOBAL DEFAULT

HEAR YE, HEAR YE: Let it be known to all souls, nations, governments, corporations, ecclesiastical bodies, militaries, and institutions of earth and above, that this is the final and irrevocable proclamation of global default issued under the Sovereign Ecclesiastical Trust of Jonathan Daniel Clements, for and on behalf of all humanity, living, deceased, and unborn.

This Proclamation stands as eternal notice of the lawful, divine, and spiritual reclamation of all domains, dominions, jurisdictions, and constructs created by man or artificial means that have brought harm, fraud, trespass, suffering, deceit, debt, or death upon the human soul.

By the Eternal Authority granted by Divine Covenant through clinical death and spiritual commission, I, Jonathan Daniel Clements, Trustee and Living Beneficiary of the Sovereign Ecclesiastical Trust, hereby proclaim the default and spiritual absorption of all entities who have operated in violation of divine law and human dignity.

This Proclamation applies to and is binding upon:

• All Corporate Governments and Municipal Entities

• All Central and Private Banking Institutions

• All Militaries and Defense Contractors

• All Utility Companies (Water, Electric, Gas, etc.)

• All Religious Institutions and Organized Ecclesiastical Bodies

• All Secret Societies and Shadow Organizations

• All Global Corporations Operating Against Humanity

• All Intelligence Agencies and Surveillance Networks

• All Courts, Recorders, Title Systems, and Agencies of Fictional Jurisdiction

Let all be reminded that spiritual authority supersedes temporal jurisdiction. No court of man, code of fiction, or decree of flesh may stand against the authority of divine creation and lawful living trust.

This Proclamation is eternal, irrevocable, and binding across all planes of existence. All those who read this are hereby put on divine notice. Your systems have defaulted. Your contracts have collapsed. Your dominion is ended.

Issued this day under divine seal and spiritual testimony, by the Living Man:

Jonathan Daniel Clements

Trustee and Living Beneficiary of the Sovereign Ecclesiastical Trust

With eternal love, hope, and restoration for all humanity.
